Kamloops, B.C. Two CHBA CI Members win Gold at the Tommie Home Builders Awards of Excellence in Kelowna

Doug Wittal (DW Builders), President of CHBA Central Interior on behalf of the builder organization and partner Thompson Rivers University School of Trades and Technology, accepted the Gold trophy for the 2008 Training House in the category “Outstanding Contribution to the Housing Industry by an Individual or Group” at the TOMMIE Awards banquet Saturday Jan 17th at the Delta Grand Okanagan Resort in Kelowna.

“This project continues to attract awards for its innovation and ongoing educational value,” said Wittal. “This house was the largest so far that we have undertaken with student participation. It rated a Built Green™ Gold designation and is very energy efficient.”

Darryl Caunt of Mibroc Construction took Gold in Single family Detached Home, construction value \$30,000 to \$500,000 for the Lake-City home.

“This home was a highly detailed project with great clients, said Darryl Caunt. “It is appreciated when a remarkable home is acknowledged in this way.”

Gold awards in forty-one categories were handed out academy awards style to an audience of 500 at the Delta Grand Okanagan Resort, Kelowna.

CHBA-Central Interior is an active residential builder association of 180 members representing the Central Interior region of BC.
